President James R. Killian

Massachusetts Institute of Technology

Cambridge, Massachusetts

Dear President Killian:

I wish to express my approciation for extending the leave of absence of Dr. Yax Milliber for an additional six nonths of service with the Central Intelligence Agency.

It is realised that Pr. Millikan's services will continue to be missed by P. I. T., however, the importance of intelligence to the security of our country cannot be overexphasised.

Please accept my gratitude for your generous and patriotic act.

Sincerely,

SIGHED
